silicikenzo@gmail.com

06610 La Gaudie

SKILLS

- Programmation (C, C++, Python)
- Embedded systems (Arduino)
- Databases (SQL)
- Network & Security : TCP/IP, OSI model, Packet Tracer, Wireshark
- Cybersecurity : network segmentation, Firewall
- Virtualized infrastructure : VMWare, Prox-Mox, VIM backup
- Web Developpement : HTML, CSS, PHP, JavaScript
- Linux & Windows

LANGUAGES

- French (native)
- English (Fluent)
- Italian (B1)

STUDIES

Preparatory engineering cycle in computer science
CESI Nice
sept. 2024 - ongoing

Preparatory engineering cycle generalist engineer
EIGSI La Rochelle
sept. 2023 - Jul. 2024

Baccalauréat général Maths, Physique, NSI
Lycée Sasserno Nice
sept. 2020 - Jul. 2023

INTERESTS

- 3d (Modelisation, Conception, FFD printing)
- Model building (aircrafts, drone)

PROFILE

I am a student currently seeking a work-study program from september 2026 to september 2029. I have foundational knowledge in networking, systems, web developpement and programming, with initial exposure to cybersecurity and IT infrastructure challenges through academic and personal projects. I am eager to grow in a professional environment in order to strengthen these skills and gain hands-on experience with enterprise-level solutions. Moreover i have my driving license since february 2024

ACADEMIC AND PERSONAL PROJECTS

Developpement Internship
InnovaPhone AG - Stuttgart
april. 2026 - jul. 2026

- Analysis of an existing C++ environment to prepare for Rust integration
- Study of Rust/C++ interoperability and development of initial reusable components

Azurean Hackathon (Automated planning)
Code4Sud - CESI Nice
Nov 2025

- Deployment of a local server for website hosting
- Python implementation for AI integration: data extraction and scheduling generation
- Work on prompt engineering and process automation

Pedagogic Arcade
Final Year Project - EIGSI La Rochelle
sept. 2023 - juin 2024

- Development of an interactive kiosk for a public event
- Management of display, SD card, ultrasonic sensors, and buttons
- Programming the game flow and quiz logic

PROFESSIONAL EXPERIENCE

Freelance
DataAnnotation
avr. 2025 - en cours

- Training and evaluation of AI models
- Analysis and validation of responses according to defined protocols

Cashier
Grand Frais Villeneuve
sept. 2025 - en cours

- Cash register management, Product recognition, Attention to detail and strong organizational skills

Industrial worker internship
Leloutre Industrie
Juillet 2024 - Août 2024

- Exposure to the industrial environment
- Participation in sheet metal machining (laser cutting, punching)
